

Hi, I'm Dan. I was born and raised in Norfolk and have worked on the North Norfolk coast for most of my adult life.

I have worked for Eric's since we opened back in April 2015, before which

I worked at Burnham Deepdale cafe. I began my career at Eric's as a waiter and within a matter of months

I was trained in the kitchen and spent most of the next 12 months working there.

Due to the company's expansion I progressed to a supervisor and now have been given the opportunity to manage our Thornham site.

My favourite part of the job is the buzz of a busy service and interacting with our customers.

I'm very proud of the team we've got and look forward to the expansion of the Eric's brand.
